Kurzbeschreibung

A mother's plea, a childless alien's promise, and a Preor warrior torn between his mate and duty...

After a hundred years of mating, Healing Master Chashan thought he knew all there was to know about his mate, Heart Master Khaza. But the sudden presence of one adorable human baby shows him that he's very, very wrong.

Now he has a choice: claim a human baby as his own and put joy in his mate's heart, or turn the child over to human authorities.

Which will he choose? Honor or love?

This short story is set in the DRAGONS OF PREOR world and is a little bite of family life for those who fell in love with the Preor dragons.
