**Literature and Science in the Nineteenth Century An Anthology (Oxford World's Classics)** From Oxford University Press, USA

Literature and Science in the Nineteenth Century 'It has been said by its opponents that science divorces itself from literature; but the statement, like so many others, arises from lack of knowledge.' John Tyndall, 1874 Although we are used to thinking of science and the humanities as separate disciplines, in the nineteenth century that division was not recognized. As the scientist John Tyndall pointed out, not only were science and literatur... Full description
