Review

Explore London as you never have done before in this beautiful and original introduction to the city...The final spread of Tower Bridge, which opens too, is a special delight. Guardian ... A very engaging birds' eye view of the city's culture and buildings. Pop-ups and flaps to lift help you find and enjoy the Thames, the Globe, O2 Arena and London 2012 Olympic Venue. Enjoy and explore in all directions! Carousel Glorious...Entertaining snippets of information on culture, history and politics can be gleaned from behind the flaps, making this useful as well as beautiful. Guardian brilliant attention to detail Junior An amazing feature about the book in the German Wings Magazine German Wings From the Back Cover Where can you see a pair of Queen Victoria's knickers, have a conversation with a floating ghost or see peregrine falcons hunting? Follow the River Thames through this pop-up book of London to find out! Welcome to your very own London where you can lift up Tower Bridge, turn the London Eye, peer into Buckingham Palace and discover surprising secrets, spooky stories and the city's famous faces! Turn the book around and find more inside the buildings too! About the Author
