Dance Electronic Music: Historia, Cultura, Artistas y Albenes Fundamentales (Guias del Rock & Roll) Manu Gonzalez

The history of electronic dance music is the history of its instruments and clubs, its DJs and communities, and also its drug scene. These elements have together transcended traditional musical canons to create something new and exciting. This book is a journey through 40 years of sounds and rhythms from all corners of the world, from Jamaica to Angola, Tokyo to London, Berlin to Barcelona, and Detroit to Chicago, through a global musical genre that s never stopped innovating."
