Présentation de l'éditeur

Enjoy one of Anne Geddes's latest photos each month in this beautiful wall calendar.

The *Heartfelt* 2014 calendars mark Anne's return to the studio, creating images for which she is internationally renowned and inspired by a medium she has used in many of her beloved images: pure Merino wool. With these calendars, Anne has laid the foundation for a series of unique and creative concepts that will delight her countless fans globally.

Since her landmark work in *Pure* and *Until Now*, Anne Geddes has used wool extensively in the props and costumes seen in some of her most loved photos. The use of pure Merino wool features even more prominently in all twelve images in the *Anne Geddes 2014 Wall Calendar: Heartfelt*, some of which are re-imaginings of Anne's earlier iconic shots.

"When I first started going back to my archives, I was quite surprised how naturally I was drawn to wool from the very start. It is such a lovely, natural fiber to work with, and I am very happy with the way we have been able to produce so many different images. I have had such a lovely time creating these images, and I am now looking forward to working on a new idea I have for the next calendar."--Anne Geddes Biographie de l'auteur

Anne Geddes is one of the world's most respected and acclaimed photographers. Her classic images of newborns grace greeting cards, calendars, books, stationery, and photo albums. With two *New York Times* best-sellers to her credit, Anne has enjoyed worldwide critical and public acclaim.
