'The most beautiful book to come out this year.' -- Jewish Chronicle

'An encyclopedia of herbs...with sumptuously detailed illustrations.'--Mail on Sunday YOU

'An exquisite and inspirational book'--Nigella Lawson

'A chic illustrated compendium of 100 heavenly herbs ... I love this book!'--Psychologies

'This gorgeous guide includes notes on each herb, including its origins, what food to pair it with and helpful growing tips'--Vegetarian Living

'I need three copies of this book: one to reach for in the kitchen, one to read in bed and one (if it's not sacrilege?) to cut up to decorate my walls with. This is a book which is informed, useful and completely divine. It's a must for anyone with an interest in the beauty of herbs or the boldness of great design'--Yotam Ottolenghi

'One of the loveliest books on herbs I have ever read.'--The Field

'An antidote to the traditional herbarium ... this colourful volume is bursting with contemporary artworks. The illustrations are the making of this book imaginative, fresh and cleverly stylised to echo the spirit of the plants in question, they add a freshness to a well-trdden subject.'--The English Garden

'Beautifully illustrated'--Gardens Illustrated

A 'beautiful, modern take on the the traditional herbarium'--Saga

A 'jolly compendium ... beautifully illustrated with colourful graphic designs' --House & Garden

'Comprehensive and elegantly designed...Each entry has the perfect blend of history, science and practical advice, and is accompanied by vibrant illustrations...A valuable and exquisite volume. Every kitchen should have one.'--The Lady

'A truly sumptuous volume...an inspiring and beautiful book for cooks and gardeners' --Italia

'Lovely' --Country Homes & Interiors

Something to look forward to --Guardian, Cook supplement

'Beautifully designed and illustrated ... Each herb is..brought to life by the author and illustrated magically by Ashlea O'Neill ' --Sunday Telegraph Présentation de l'éditeur

*Herbarium* explores the histories, associations and uses of 100 herbs, as well as providing ideas for both food and wellbeing. Each entry features a specially commissioned illustration with texts that include the botanical name, place of origin, varieties and areas where the herb is most commonly grown. The essence of

each herb is explored in a brief history peppered with interesting anecdotes, complemented by suggestions of classic combinations and helpful tips for gardeners. A reference section includes pieces on how to grow and keep herbs, seasonality and a map showing where our herbs are grown.

A contemporary evolution of the traditional herbarium, presented in a fresh way for a younger audience and a new generation of cooks, *Herbarium* will expand readers' knowledge, improve culinary skills and enhance their appreciation of the incredible world of tastes offered by herbs. **Biographie de l'auteur**
